EN: The Violet Shampoo cleanses and revitalizes the hair. This shampoo eliminates the last yellow tones in the hair and unwanted yellow and copper tones in ash-colored blonde hair.

NL: De Violet Shampoo reinigt en revitaliseert het haar. Deze shampoo zorgt er voor dat de laatste gele tinten in het haar en dat ongewenste gele en koperkleurige tonen in askleurige blond haar verdwijnen.

Manufactured by: bottle-x.com | De Waterman 15A | 4891 TL Rijsbergen, Netherlands

USE: Apply a desired amount to the hair. To neutralize yellow pigments, you can leave the shampoo in for 2-3 minutes. Then you can rinse the shampoo again.
